

Consultants (Young graduates)

MÖBIUS (www.mobius.eu) is a consulting firm, which helps its clients in solving complex business issues in the domains of business process management and supply chain management. We base our advice on proven quantitative methods and tools. MÖBIUS is a spin-off of the University of Ghent. We combine unique academic expertise with solid pragmatic business experience in the development and the implementation of our solutions.

Description:

As a junior consultant you will be part of a team involved in projects for the public and/or private sector. You will join one of our two competence areas: Business Process Management or Supply Chain Management. You will report to the project manager and work on assignments in the Benelux and abroad.

Your profile:

You graduate in 2010 in (Bio)-Engineering, Economics, Psychology, Sciences, Law or you have proven interest in our competence areas. You are fluent in Dutch and/or French and English. You have good analytical skills and you are stress-resistant and flexible. A good knowledge of MS Office applications is recommended.

What we offer you:

- The opportunity to work in an young, innovative and dynamic environment
- Career Opportunities
- A competitive remuneration package

Selection procedure:

Please send your resume and motivation letter to jobs@mobius.eu

You will be informed of the next steps.
